C6: II. Andante* 4:12 18. *Symphony in G major, Op. 3, No. 6, W. C6: III. Allegro assai* 2:01 Camerata Budapest Hanspeter Gmur, conductor

J.C. Bach was a huge influence on Mozart, and when the young German phenom visited London with his family during the 1760s, Bach and the young Mozart really hit it off. If you listen to this really enjoyable and lovely recording by the Camerata Budapest and then some of Mozart's early symphonies, you can hear undeniable similarities between the two composers.
