Saskia Coolen, recorder & viol

Erik Beijer, viol

Johannes Boer, viol

Susanne Braumann, descant viol (track 3)

Antoinette Lohmann, descant viol (track 9, 13)

At a conference of musicologists in Utrecht, the Egidius Kwartet met Dr.Laura Youens, Professor of Music at George Washington University, Washington DC. She and her team not only published the music in an excellent edition, but also paid careful attention to the poetry used by Crecquillon for his songs, just as the Egidius Kwartet do. This meeting resulted in the first CD recording ever of all Crecquillon's chansons.
