Ambrosian Singers Benedictine Monks of St. Michael's Denis Stevens – conductor

This is not technically chant, but it's beautiful and inspiring for what it is. If you want to spend some time in contemplation and prayer and need an aid to help you from the distractions of daily life, I highly recommend this cd. It's haunting yet comforting. It takes you out of this fast-paced often relentless world to a place of utter peace. --- EUS, amazon.com
