This exciting release gathers together in one neat package the two late sonatas for which Brahms' viola versions have become standard repertoire, together with two trios for Clarinet and Horn that are more rarely heard for viola but work equally well. For this recording Max also plays the Klengel arrangement of the G Major Violin Sonata (with a few revisions of his own)

Played by one of the world's most charismatic violists Maxim Rysanov, of whom Yuri Bashmet declared " my rival has arrived!" Remarkably, Max has been awarded Editor's Choice from Gramophone Magazine for both his recital discs to date, including Kancheli's Styx and Taverner's The Myrrh-Bearer on ONYX (ONYX4023) of which the reviewer said "it was a privilege to review" --- onyxclassics.com
