Leela James is one of the most exciting and acclaimed R&B singers to have emerged in the past five years. LET'S DO IT AGAIN, Leela's long-awaited follow-up to her powerful debut, delivers a powerful set of soul music, recorded with her own band in the studio. Highlight's include Leela's interpretation of such well-known songs as Etta James' "All the Way Down," and John Legend's "We Don't Have to Change," as well as previously unexposed gyms. ---Editorial Reviews
