Lang 3:47

Roy Orbison was the voice of sorrow. But sorrow never sounded quite so sweet. For nearly 30 years, Orbison was the quintessential spokesman for the broken-hearted, with his trademark sunglasses hiding his eyes so all you would focus on was the voice. The Essential Roy Orbison, arriving in stores tomorrow, is the first "best of" collection to span the entirety of Orbison's career, and it's a soulful winner. It's divided into two discs containing 40 songs, one disc focusing on the early years of the '50s and '60s, one mostly focusing on his brief, brilliant comeback in the 1980s before his sudden early death.
