This Deluxe 2 CD Edition contains the original eleven-track album, as well as an amazing 26 bonus tracks! Gathered together for the first time ever by PWL consultant Tom Parker, there are non-album b-sides, extended 12" versions, techno mixes, dub mixes, and instrumentals, several of which have only ever been available as downloads. All this adds up to over 155 minutes of

Jason Donovan!

Signed to the Stock/Aitken/Waterman team, Donovan enjoyed enormous success in the late 1980s and early 1990s. Never reissued, and out of catalogue for years, his first two albums for Waterma's PWL imprint are finally available again. Debut album Ten Good Reasons – incredibly THE biggest seller of 1989 – is home to hits including Too Many Broken Hearts, Sealed With A Kiss and the Kylie duet with which his career was launched, Especially Foy You. With 26 bonus tracks – B-sides and extended versions, many not available before – this is now a muscular two-CD set with a running time of 155 minutes. Completing a very strong package, which is priced to sell for around £6, a 24-page booklet includes lyrics, full annotation, and numerous pictures. 1990's Between The Lines was a little less successful in terms of chart hits but is arguably better. Again, there is a plethora of extras. --- Music Week 02/10/2010

Poszerzona aż o 26 bonusowych nagrań reedycja pierwszego albumu brytyjskiego piosenkarza, który to album był jedną z najlepiej sprzedających się płyt roku 1989. Związany - tak jak Kylie Minogue - z fabryką przebojów Stock-Aitken-Waterman, Donovan w krótkim okresie nagrał imponującą ilość przebojowych singli: „Nothing Can Divide Us”, „Especially For You” (duet z Kylie), „Too Many Broken Hearts” i „Sealed With A Kiss”. Obok 11 utworów z oryginalnego albumu „Ten Good Reasons”, niniejszy album zawiera obfity wybór nagrań singlowych, stron b, wersji z singli 12-calowych, miksów techno i dubowych oraz nagrań instrumentalnych. W sumie - 155 minut sam na sam z jedną z największych gwiazd muzyki pop lat 80.
