I had never heard of Sara K before, but I took a chance on this recording, based on a recommendation from an audiophile friend . If you are tired of poor recorded music, with unintelligible lyrics, this is for you. Originally from Texas, Sara K has recorded a quiet, thoughtful, bluesy, acoustic album. Somewhere in the pantheon of Paula Cole, Sarah Jarosz, & Joni Mitchell - an album to be enjoyed with a glass of wine in the wee hours! ---S. Mar, amazon.com
